'Cat's Meow' *Nepeta faassenii*

20 Perennials for **the Landscape**

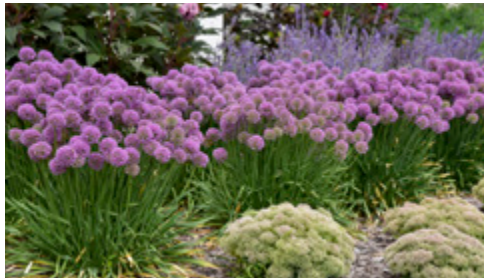

20 Perennials for **the Landscape**

'Firefly Sunshine'
Achillea

One of the very best Yarrow for lasting color throughout the summer. Bright yellow flowers contrast with dark gray green foliage. Upright habit.
Height: 28-30" | Width: 24-28" | Zones: 3-8

'Serendipity'
Allium

A long blooming, drought and deer resistant perennial. Globe-like purple flowers appear for many weeks in later summer. Attractive seedheads follow.
Height: 15-20" | Width: 15-20" | Zones: 4-8

'String Theory'
Amsonia

A compact version of industry standard *A. hubrichtii*. Less chlorotic than *A. hubrichtii* thanks to hybrid background with similar brilliant fall color.
Height: 18-22" | Width: 32-36" | Zones: 4-9

'Storm Cloud'
Amsonia tabernaemontana

Comparable to Baptisia with similar longevity and tolerance to heat and drought. One of the earliest perennials to emerge in spring.
Height: 24-30" | Width: 38-42" | Zones: 4-9

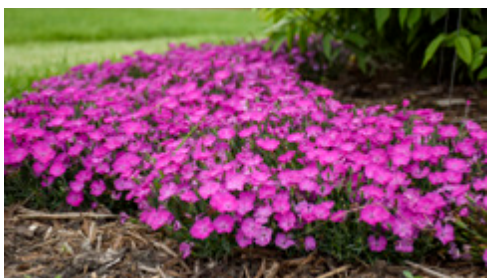

DECADENCE® 'Lemon Meringue'
Baptisia

Very compact and carefree, longer flower spikes sit on top of the plant rather than within the plant.
Height: 3' | Width: 3' | Zones: 4-9

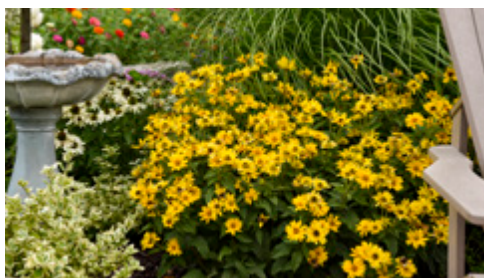

'Jack of Diamonds'
Brunnera macrophylla

A deer resistant perennial that tolerates dry shade! Massive leaves reach more than 12" wide. Excellent disease resistance ensuring 3 season performance.
Height: 14-16" | Width: 28-32" | Zones: 3-8

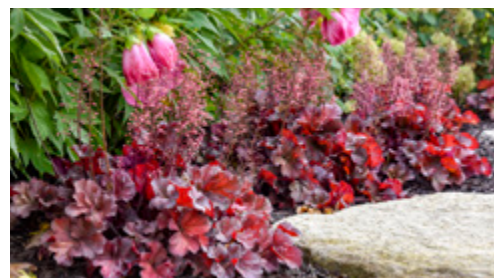

'Paint the Town Fuchsia'
Dianthus

Much longer lived in the landscape with reliable performance in Northern and Southern zones. Earlier and far more prolific than traditional cultivars.
Height: 6-8" | Width: 16-18" | Zones: 4-9

Tuscan Gold™
Heliopsis helianthoides

Compact and sturdy, excellent disease resistance, free flowering. Multiple rows of petals on each flower for longer lasting color.
Height: 24-32" | Width: 20-24" | Zones: 4-9

PRIMO® 'Mahogany Monster'
Heuchera

Extremely vigorous and rugged - even in full sun! Rich red color. Long-lived in the landscape when sited correctly.
Height: 12-16" | Width: 22-28" | Zones: 4-9

SUMMERIFIC® 'Berry Awesome'

Hardy Hibiscus

Densely compact, rounded habit - rather than vase shape - massive 7-8" flowers along stem rather than just at top.

Height: 4' | Width: 4½-5' | Zones: 4-9

SHADOWLAND® 'Diamond Lake'

Hosta

Large, showy blue hosta with good vigor and sun tolerance. Holds its blue color for a long time.

Height: 24-30" | Width: 48-54" | Zones: 3-9

AMAZING DAISIES® Daisy May®

Leucanthemum superbum

Free flowering, heavy repeat blooms.

Height: 12-24" | Width: 10-14" | Zones: 5-9

'Cat's Meow'

Nepeta faassenii

Tidy, dense habit that keeps its shape all season long.

Height: 17-20" | Width: 24-36" | Zones: 3-8

'Cat's Pajamas'

Nepeta

Compact, early blooming hybrid *Nepeta* perfect for the front of the border. Long blooming, deer and rabbit resistant perennial.

Height: 12-14" | Width: 18-20" | Zones: 3-8

PRAIRIE WINDS® 'Apache Rose'

Panicum virgatum

Midsized; more dense and upright habit; rosy red panicles rather than tan.

Height: 4' | Width: 2½' | Zones: 4-9

PRAIRIE WINDS® 'Totem Pole'

Panicum virgatum

Tall, slender Panicum. Rigidly upright selection that resists flopping. Narrow base makes it easy to fit into small spaces or pair with other plants.

Height: 6' | Width: 2½' | Zones: 4-9

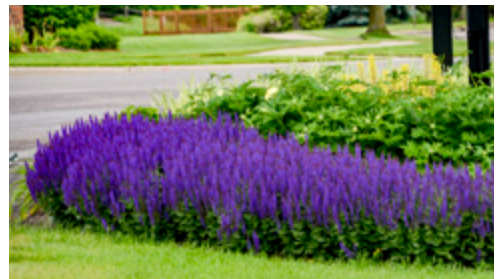

'Denim 'n Lace'

Perovskia atriplicifolia

Stronger stems, stays compact, more upright tidy habit. Not prone to running about or sprawling through the landscape like the species.

Height: 28-32" | Width: 34-38" | Zones: 4-9

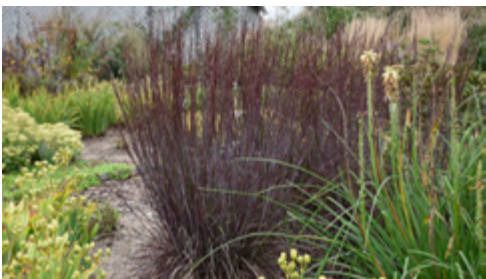

COLOR SPIRES® 'Violet Riot'

Salvia nemorosa

More concentrated show of vivid blooms; more dense habit; more upright stems; more consistent rebloom.

Height: 22" | Width: 20-24" | Zones: 3-8

PRAIRIE WINDS® 'Blue Paradise'

Schizachyrium scoparium

Elegant vase-shaped habit holds its upright form even through the snow and wind of winter.

Height: 3-3½' | Width: 2' | Zones: 3-9

ROCK 'N ROUND® 'Pure Joy'

Sedum

Perfectly rigid dome shape.

Height: 10-12" | Width: 16-20" | Zones: 3-9

Trialed, In Ground, For Success

'Paint the Town Magenta' Dianthus

'Paint the Town Fuchsia' Dianthus

To ensure only the top performing perennials are put into the Proven Winners brand, each variety is trialed extensively. Like all Proven Winners perennials, the Paint the Town Dianthus series was tested alongside market standards at a range of testing sites in a variety of zones. These perennials are not only trialed in containers, but in ground as well to ensure winter hardiness and performance for many seasons.

US Perennial Trial Sites:

- Chicago Botanical Garden, Glencoe, IL. Zone 5
